NOTE: After you login you can select the tile that marks your course – but as you take more and more courses the tiles will increase in number and it might be easier to select the COURSES tab to see your courses listed rather than tiled.
If you select the COURSES tab you will see the link titled MY COURSES at the upper right portion of the screen.
1. Make sure to select the MY COURSES tab to see all your courses.

2. Select the course you wish to enter.
